FREQUENTLY ASKED QUESTIONS

- ***As an adult what can I expect to learn in Irish Dancing?***

Our adult classes have a focus on fun and fitness while learning the same syllabus as our younger dancers classes but at a pace that is challenging and relative. This class is suitable for older children (12 years & up) to join.

- ***What should dancers wear to classes?***

Adult dancers are encouraged to wear bare feet, sneakers or ballet/jazz pumps to class. Adult dancers should wear shorts/leggings so that correct technique can be addressed and easily move their legs.

- ***How long are the classes for new dancers and what can we expect?***

Adults - A 1 hour class progressing through the soft shoe syllabus. We begin with a general warm up, and dynamic stretches. We then split into groups based on the levels within our class.

- ***How much are beginner's classes?***

Your first lesson with the Academy is FREE - then for the remainder of your first term you pay per lesson. For adults in their first term we have a pay per class rate of \$13. This allows dancers to get used to the class structures and see if this is something they wish to continue.

- ***What if I can't attend each week?***

Our adult class can be attended on a causal basis. You will need to remain enrolled in our system so we don't over fill the class. The causal class rate is \$15. Cash or eftpos on the night.

- **When will I need Irish Dancing shoes and uniform?**

We recommend that adults use sneakers for as long as they are comfortable. Once they have processed through the soft shoe syllabus we recommend second hand hard shoes to begin the next level. We generally have second hand shoes available at the studio. We do not require the adults to purchase the uniform but suitable attire should always be worn to address correct technique.
